## Falcons honoring troops

The Air Force Academy football team is honoring the Air Force and several different units throughout the season by wearing patches on its uniforms. The team wears the Air Force patch to honor the men and women of the U.S. Air Force. The team is also honoring 10 of the Air Force's Heritage Wings and Groups by wearing patches on their home uniforms; and six USAF Air and Space Expeditionary Wings by wearing patches on their away uniforms for the third straight year. The team will wear the Air Force logo on both uniforms for the first time in 2008.

The Heritage Wings and Groups date back to the foundations of the Air Force, beginning on Aug. 1, 1907, when the U.S. Army Signal Corps established a small Aeronautical Division to take "charge of all matters pertaining to military ballooning, air machines and all kindred subjects." But, it was not until May 26, 1909, that military aviation was born, when Lts. Frank P. Lahm and Benjamin D. Foulois made their first ascent and qualified as the airship's first Army pilots. The National Security Act of 1947 created a separate Department of the Air Force, headed by a Secretary of the Air Force; from that law, today's Air Force was officially born on Sept. 18, 1947.

The 10 patches represent active duty units that have colorful and distinguished histories. These "heritage units" not only represent the legacy of the Air Force past, but also the promise of its future. Each Air Force mission and capability is represented with this cross-section of units.

The Air and Space Expeditionary Force concept is the Air Force's vision for the 21st century to organize, train, equip and deploy forces for contingency operations while remaining ready to meet national crises. AEF also helps create a mindset and culture that embraces the unique characteristics of air and space power - range, speed, flexibility and precision. Military personnel that are deployed become a part of one of these six wings.

## DeBerry elected to HOF

Former Air Force football coach Fisher DeBerry has been elected to the College Football Hall of Fame. DeBerry was honored at the National Football Foundation's Annual Awards Dinner in New York City at the Waldorf Astoria on Tuesday, Dec. 6. DeBerry was honored with a campus salute Nov. 12, during the Wyoming game (photo below). Joining DeBerry in the class of 2011 will be former Michigan coach Lloyd Carr, Florida receiver Carlos Alvarez, Texas defensive lineman Doug English, Oregon State fullback Bill Enyart, Ohio State running back and 1995 Heisman Trophy winner Eddie George, Alabama defensive lineman Marty Lyons, Miami defensive lineman Russell Maryland, Florida State defensive back Deion Sanders, Georgia defensive back Jake Scott, Nebraska guard Will Shields, Minnesota quarterback Sandy Stephens, West Virginia linebacker Darryl Talley, Oklahoma halfback Clendon Thomas, Arizona defensive lineman Rob Waldrop and Michigan State receiver Gene Washington.

DeBerry served as head coach at Air Force for a brilliant 23-year career which concluded with his retirement on Dec. 15, 2006. His mark on the program, the Academy and college football is unmistakable. The 72-year-old South Carolina native and his Air Force program served as the epitome of what is right and good in collegiate athletics. His record stands alone at Air Force and stands up against the best in the nation. He led 17 of his 23 teams to winning records and 12 captured a bowl bid, posting a 6-6 record. His career record of 169-109-1 is the best in school history in terms of games won and winning percentage. A native of Cheraw, S.C., DeBerry graduated in 1960 from Wofford College in Spartanburg, S.C., where he lettered in football and baseball. DeBerry played second base and shortstop in baseball and flanker, defensive back and linebacker in football. He is a member of the Wofford Hall of Fame. DeBerry was born June 9, 1938. His wife, LuAnn, grew up just around the corner from the DeBerry home in Cheraw. They have a son (Joe) and daughter (Michelle) and seven grandchildren. The DeBerrys started the Fisher DeBerry Foundation in 2004. The foundation exists to provide children of single parent homes life changing opportunities they wouldn't otherwise have. They pay to send children to sports camps and other activities. It's a passion that DeBerry supports with more than just his name. The coach and LuAnn are deeply involved in the day-to-day activities.

## Head Coach Troy Calhoun

The Air Force Academy's purpose is to develop young people of strong character who graduate and serve as outstanding leaders for our country. Air Force student-athletes must complete one of the nation's most demanding academic curriculums while further embedding the kind of heart and character that are a crucial foundation for service. It's a purpose Troy Calhoun thoroughly respects and appreciates. While embracing the mission of the Academy, Calhoun has also found a way to build a very competitive football program within one of college football's strongest conferences.

Calhoun is the only coach in the 100-plus year history of service academy football to lead teams to at least eight wins and a bowl game in each of his first four seasons. Calhoun was a semifinalist for the 2010 Paterno National Coach of the Year award for his efforts on and off the field.

His players have also been amazingly successful finishing their academic and leadership responsibilities. The Air Force football team's most recent NCAA APR is an astounding 978 which once again places the Academy amongst the nation's top 10 in the sport of football. A total of 58 players (from the Academy classes of 2008-12) have started at least one game since Calhoun became head coach. All 36 members of that group from the classes of 2008-09 have graduated from the Academy and are currently serving on active duty in the Air Force.

Calhoun has also lifted the Falcon football program to unprecedented heights within the Mountain West Conference in his five seasons. Calhoun is **41-23** in five seasons after taking over a program that had posted three straight losing seasons before his arrival. They have posted wins at Notre Dame and Utah and led the Falcons to a school-record five straight bowl games. He has also led the Falcons to the school's first back-to-back Commander-in-Chief's Trophy titles since 2002 with victories last season over Army and Navy the last two seasons.

In Mountain West Conference play, Calhoun is **24-15**, the most MWC wins in school history in a four-year span. The 24 wins is the most for Air Force over four years in its MWC history and his conference winning percentage (.615) is the fourth best in MWC history.

Air Force, coming off a three straight losing seasons, finished the 2007 season 9-4 overall and placed second in the Mountain West Conference with a 6-2 mark in Calhoun's first year. The Falcons earned their first bowl bid in five seasons, advancing to the Bell Helicopter Armed Forces Bowl in Fort Worth, Texas.

The five-game turnaround from the previous season, was the largest in the nation by a first-year head coach and tied as the third-largest overall in the nation. The five-game turnaround is the best in school history since the 1958 team had a school-record turnaround of six games.

Calhoun was named the conference's coach of the year for his efforts. In addition, he was named coach of the year in Region 5 by the American Football Coaches Association and was one of eight finalists for national coach of the year honors. Calhoun followed with back-to-back 8-5 overall records and fourth place conference finishes with 5-3 marks in 2008 and 2009. The team earned bids to the Armed Forces Bowl each season and posted the school's first bowl victory since 2000 with a 47-20 win over Houston in 2009.

Last season the Falcons posted a 9-4 overall record and recorded their fourth straight top four conference finish with a 5-3 mark. The Falcons were nationally ranked for the first time since 2003 and posted a victory as a ranked team for the first time since 2002. The team capped the season with a 14-7 win over George Tech in 2010 Independence Bowl to earn a second-straight bowl victory.

Calhoun brought a wealth of experience and impressive resume at the collegiate and professional levels that is flooded with success at every stop to the Academy. Calhoun came to the Academy after serving as offensive coordinator and quarterbacks coach for the Houston Texans in 2006. The Texans were one of only two NFL teams to triple their number of wins from the previous year.

Calhoun became a well-rounded NFL coach, working as a defensive assistant, special teams assistant and offensive assistant with the Denver Broncos from 2003-05. He began his NFL coaching career by serving as the defensive assistant under defensive coordinator Larry Coyer in 2003.

Prior to the NFL, Calhoun was an offensive coordinator for six seasons on the collegiate level. He began his coaching career at Air Force, where he worked as a graduate assistant from 1989-90. He started at quarterback for the Academy in 1986 and was one of only two freshmen to letter for the 1985 team that finished fifth in the final polls with a 12-1 record that included wins over national powers Notre Dame and Texas.

Calhoun served his country from 1989-95 as an active duty officer in the Air Force. He was the Falcons' recruiting coordinator and the junior varsity offensive coordinator in 1993-94. He moved to Ohio University in 1995 where he served as the quarterbacks coach for two seasons. Calhoun was promoted to offensive coordinator in 1997. Calhoun moved to Wake Forest in 2001 and remained there prior to his stint with the Broncos.

Groomed on the basics of integrity and passion, Calhoun is a native of Roseburg, Ore., and was raised in a home where both kids graduated from the Air Force Academy and were varsity letterwinners on nationally-ranked teams. Calhoun's younger sister, Callie, is a 1991 Academy graduate and four-year letterwinner in track and cross country. Calhoun finished at the Academy on the superintendent's list and graduated with over a 3.0 grade point average and a military performance average of better than 3.0. He and his wife, Amanda, live in Colorado Springs and have two children, Tyler (nine) and Amelia (seven).
